Lynn,

Since the world seems always to be suffering the consequences of poor communications between people, I thought it might help to briefly jot down the essence of our discussions concerning Mr. Rowen's participation in the JASON's December meeting.

- TIME/PLACE: 0900-1015, Saturday the 5th of December in the Systems Planning Corporation conference room, (Penthouse level), 1500 Wilson Blvd., Arlington, Virginia. I've enclosed a map.
- TITLE OF TALK: Please let me know what specific title Mr. Rowen would like to use.
- SECURITY: Mr. Rowen can speak at the TOP SECRET, non-codeword level or below. Please let me know which level he prefers so that I can insure that the audience is appropriately cleared; kindly send his clearances to SRI International, Attn: CDCC, 1611 N. Kent St., Arlington, Va. 22209.
- AUDIENCE: The audience will be comprised of JASON members and government employees from our various clients but no contractors. If Mr. Rowen would like to restrict the audience in some greater fashion, please call.
- RESUME: I would appreciate a copy of Mr. Rowen's resume so that we do not make too many embarrassing pronouncements when introducing him.

JASON is hosting a reception on Friday evening, the 4th of December from 1830-2130 at the International Club (1800 K Street, N.W., Washington, D. C.). If Mr. Rowen is back from his trip that day and has the stamina, JASON would be pleased to have him and his wife attend and meet, informally, JASON members and their guests.
